We're delighted to reveal the names of the 24 talented winners who won AAP Magazine #33: Nature. Predominantly women, they come from 11 different countries and 3 continents.

For this new edition of All About Photo Magazine we commissioned 24 projects that beautifully capture the essence of nature and the magnificence of landscapes, wildlife, and flora & fauna. Nature photography is a captivating genre that explores and captures the beauty of the natural world.

This issue features the following artists:

First place winner: **Thomas Vijayan** (<https://www.all-about-photo.com/photographers/photographer/1056/thomas-vijayan>)
